Background Check Information and Waiver

The duties of the Waterville Police Department Volunteer Angel will place the volunteer in close personal contact with persons requesting assistance with addiction recovery; create circumstances in which they will interact with the public, fellow volunteers, law enforcement personnel, and treatment providers, as well as granting access to law enforcement facilities and sensitive information.

For these reasons the Waterville Police Department has an obligation to help ensure the safety of the program participants, volunteers, and members of the public the Angel may come in contact with.

In connection with an individual's application to serve as a Volunteer Angel with the Waterville Police Department Operation HOPE program, the Waterville Police Department will conduct a review of their criminal history, driving record, and probation status to determine their suitability for program participation.

Factors that will disqualify an applicant include:

- All sex offenses.
- All felony crimes of violence, including but not limited to murder, aggravated assault, robbery, etc.
- Any crime of domestic violence.
- Any person currently on probation.
- Any crime of misdemeanor violence within two years of conviction.
- Any misdemeanor drug and or alcohol offense within two years of conviction.
- Any person with open charges in the criminal justice system.
- Any person who does not hold a valid driver's license.
- ***A subject who has been disqualified by one or more of the above factors may appeal to the Deputy Chief of Police if they wish to provide evidence that could mitigate their disqualification.***
- ***The disqualified party will be notified of the final decision within 5 days.***

I verify that the above information is true. I understand that any false or misleading information is grounds for denying or terminating my volunteer placement.

I do hereby authorize a review of and full disclosure of all records, or any part thereof, concerning myself, by and to ANY duly authorized agent of the City of Waterville, whether the said records are public, private, or confidential in nature, and which include a check of my driving records and or criminal history.

The intent of this authorization is to provide the Waterville Police Department with information about my personal life for the purpose of determining suitability for the Operation HOPE program.
